

Angels

*When Angels sense you need them,
And angels always do
They come, unseen, from everywhere
to help and comfort you.*

*They hover close beside you
'till all your cares are gone,
'Till they can see you're ready
once again to carry on.*

*Then some of them may fly away
and take their gentle touch
To other hearts that need the love
of angels very much.*

*But one, at least, stays with you
as your constant friend and guide,
For Guardian Angels never leave,
They're always at your side.*
