

# *The World's Greatest Grandparents*

*This is the perfect time  
to say that I'm so glad to have  
grandparents like you.  
When I'm near you I can feel  
your love, when I'm away  
from you I miss you very  
much. Surely you must be  
the greatest Grandparents  
in the whole wide world.  
I love you so very much!*
